Currently Accepting New Patients
Partnering With Your Health Care Team

Who We Are

The mission of The Banner – University Medical Center Phoenix Internal Medicine is to empower patients as part of a multi-disciplinary team that provides excellent health care in an academic setting. Our practice is partnering with our patients to become a certified Patient-Centered Medical Home.

Banner – University Medical Center Phoenix Internal Medicine is here to provide personalized, compassionate care in an environment that values the integrity of the individual. Our highly qualified doctors provide patient-centered care that is accessible, coordinated and comprehensive. We take the time to get to know you and make the patient-provider relationship our top priority.

The Banner – University Medical Center Phoenix Internal Medicine has been caring for patients since 1996. Our highly qualified physicians care for patients from the ages of 14 and older and provide preventive care and treatment of complex chronic illnesses. All of our attending physicians are board-certified in Internal Medicine.

Provider Teams

Your doctor at the Internal Medicine Clinic may be a resident doctor working to become board-certified in Internal Medicine. These resident physicians are organized into teams of several doctors and overseen by an attending or faculty physician. If your doctor is not available on a particular day you will be able to see another doctor from the same team.

Patient Advisory Council (PAC)

Our PAC meets bi-monthly and serves as a formal mechanism for involving patients & staff in clinic decisions and policy making. Please let us know if you would like to be involved by contacting our Social Worker at 602.839.6422.

Academic Medical Service (AMS)

If you should need to be hospitalized, our physicians work closely with our hospitalists at Banner – University Medical Center Phoenix. Several of our physicians also see patients in the hospital. In an effort to achieve better care coordination, medical records are shared between the inpatient and outpatient setting.

Specialists

Our physicians work closely with surgeons and other medical specialists to ensure that each patient’s care is coordinated and comprehensive. We have an in house Podiatrist Brett A. Roeder DPM, FACFAS who is available on Fridays to see patients in our clinic.

Our Services

- Same day care
- Laboratory Services
- Podiatry
- Social Worker
- Behavioral Health Collaborative Care
